Dear Parents and Carers,

RE: PARENT GOVERNOR VACANCY ON THE SCHOOL GOVERNING BOARD

I hope you are all well. We currently have a vacancy available for a Parent governor on the school's Local Governing Board, open to anyone who has children at the school.

The Local Governing Board is responsible for the strategic management of the School, working closely with the Headteacher and the teaching staff. Governors are involved in thinking about topics as varied as the curriculum, finance, building projects, admissions, future policy, recruitment and training & development. Given this range, we're really keen to get people from as many different backgrounds as we can involved.

Volunteering as a governor with us means you can:

- use and develop your leadership skills
- bring professional expertise to a school setting, and work with school leaders to support outcomes for children
- support the school and community
- be part of a team who are passionate about providing the very best for children
- benefit from a wide range of governor training and support

You can read more about being a School Governor here:

<https://www.odst.org.uk/page/?title=Join+us+as+a+Governor&pid=26>

Subject to safeguarding checks, anyone can put themselves forward, or can nominate someone else you think might be good at it. If you are interested in learning more then please get in touch with me, or with any of the other governors, about what being a governor might involve. It's hugely rewarding and a great opportunity to get involved with the school and help shape its future.

Best wishes,

Chris Elliott, Chair of Governors
