

Dear Parents/Carers

This year, **Friends of Wootton School (FoWS)** will be running a **Christmas Gift Shop** in school on **Friday 6th and Friday 13th December**.

The **FoWS Christmas Gift Shop** will be open to the children at lunch time for them to buy little gifts for their family and friends. **All money spent in the shop will be donated to school.**

All gifts in the **FoWS Christmas Gift shop** will be priced between 50p and £2. This will mean that with even a modest budget, the children will be able to get a few gifts.

The gifts will be wrapped by us, and the children will bring them home before Christmas.

We already have some gifts for our shop, but we would be very grateful for further donations. It would be lovely to have a nice range of presents for the kids to choose from.

If you have any unwanted gifts or other items that you think would be suitable for our shop, please can you send them into the school office (marked FoWS). Please note we will not be able to accept alcohol, and bear in mind that our price range for gifts is 50p and £2.

We have also sent home letters to the children to explain to them about the **FoWS Christmas Gift Shop**, and to help them think about who they would like to buy presents for and what these people might like to receive as gifts. The children may want help with this, or they may want to do some secretive present planning!

We hope that this will be a fun activity for the kids, as it will allow them to plan their presents and “go shopping” on their own.

The **FoWS Christmas Gift Shop** shopping days are allocated to the year groups as follows:

Friday 6th Reception, Years 1, 2 and 6

Friday 13th Years 3, 4 and 5

The children are invited to bring some money into school on their shopping day, so that they can come along to our shop and do some Christmas shopping.

As always, thank you for your support.

FoWS
