

Wootton-by-Woodstock CE Primary School

PRINCIPLES

We believe that Pupil Premium eligibility is not an indicator of low achievement, ability or, even, financial need.

In meeting the individual needs of Pupil Premium pupils we aim to benefit the whole school community by:

- Enriching the curriculum
- Broadening learning
- Providing opportunities and experiences pupils may not otherwise receive or have had in the past
- Bridging social, emotional and communication ‘gaps’
- Offering fair opportunity to all

The school will:

- Respond to pupils on a personalised basis
- Consult with parents and carers of eligible children with regard to how the funding may be used
- Monitor and evaluate the impact of the expenditure of Pupil Premium funding
- Use Pupil Premium funds to benefit all pupils without being reliant on them for standard educational provision
- Seek to make effective use of the Pupil Premium to meet the needs of vulnerable pupils and ensure that appropriate progress is made
- When necessary, provide additional targeted intervention strategies to support pupils and accelerate progress
- Minimise and/or eliminate barriers to learning
- Minimise and/ or eliminate barriers to social, emotional and cultural growth
- Monitor and evaluate the impact of Pupil Premium as part of the ongoing School Evaluation cycle
- Track performance data and personal development of this group of pupils to ensure that their needs are being met in full
